## Explore Smoky Hill LETRS Trainings This Fall!

### Where Best Practice Becomes Everyday Practice

Unparalleled professional development for teachers of reading and spelling; that's *LETRS* Second Edition. Delve deeply into the What, Why and How of literacy instruction with this premier research-based training. Educators gain the knowledge and skills they need to deliver sharper, more intentional instruction, increase efficiency and improve student achievement.

***LETRS***® (*Language Essentials for Teachers of Reading and Spelling*) is a comprehensive, highly effective, research-based professional development program that is delivered at SHESC in a series of modules. Developed by Louisa C. Moats, EdD, *LETRS* provides the deep knowledge necessary to understand how students learn to read, write, and spell—and why some of them struggle. *LETRS* prepares educators for the challenging work of teaching literacy by connecting research to practice.
