Do you want to learn more about how phonemic awareness, phonics, vocabulary, fluency and comprehension support literacy learning? If so, check out LETRS Foundations training this summer!

**LETRS FOUNDATIONS, Grades K-12**

LETRS Foundations is a teacher's first step in gaining essential knowledge about effective teaching of reading. *LETRS Foundations* introduces educators to the concepts and practices supported by reading science. It also prepares teachers for the more rigorous, in-depth modules of the overall *LETRS* professional development program.

Crafted for the adult learner, this module addresses the differences between good and poor readers; aspects of language that are important for literacy; the components of effective instruction; principles of systematic, explicit instruction in each component; and instructional activities that can support the implementation of any comprehensive core program.

LETRS Foundations is full of engaging activities, exercises for practice and review, and explicit connections to the classroom. Selected videos from *Teaching Reading Essentials* reinforce and support the lessons in the program.

For questions regarding Smoky Hill LETRS trainings this summer, email Rachel Loersch at rloersch@smokyhill.org.

DELTA CONFERENCE

What is the Delta Conference?

It is a professional development conference for Kansas Career and Technical Education teachers. As part of the professional growth component of teaching, the Delta Conference is a five-day professional development event focusing on:

- Enhancing the local teacher's ability to engage all students in the learning process
- The local teacher's skill of integrating career readiness skills into technical content
- Helping the local teacher understand and develop his or her influence in the classroom, school and community

Delta is NOT a conference where one learns the latest technical skills specific to a Pathway or to learn the best strategies to train CTSO students for competition. Delta IS a conference that focuses on the craft of becoming a better teacher and leader for your students, on articulating the value of your program to your key stakeholders, and building a complete career and technical education program that will be innovative and sustainable.

Dates

The 2018 Kansas Delta Conference will take place Tuesday-Saturday, beginning in the afternoon on June 12th and ending at noon on June 16th. It will be held at the North Central Kansas Technical College in Beloit, Kansas.

Schedule

Orientation: 4:00pm Tuesday, June 12th (registration opens at 3:00)
 Daily Schedule: 8:00am - 8:00pm weekdays (breaks for group work and meals)
 Closing: Noon, Saturday, June 16th (lunch on your own)

Lodging

Lodging is included with your registration. Participant rooms are double-occupancy in the new suite-style dorms. Participants must supply their own bedding and towels.

Fees

\$150 per participant reimbursed after conference attendance as a travel voucher. This will be reimbursed to the individual if the individual teacher paid this initially or reimbursed to the school district if the district paid this fee. Meals are included in the registration fee.

Graduate Credit

2 hours of graduate credit through Baker University has been tentatively approved. More information coming at a later date.

THE REGISTRATION DEADLINE IS MAY 11, 2018. Go to:
<http://www.smokyhill.org/vnews/display.v/ART/56b3be630730c> to register.

SMOKY HILL VOLUME PURCHASING PROGRAM NEWS!

Don't miss out on saving your district \$\$ today!

The Smoky Hill Education Service Center ESM Volume Purchasing site is now live and ready for you to make purchases.

All catalogs are now online, including exclusive catalogs—School Specialty, Frey Scientific and CDW-G. **Your district should see savings of 33% on most all School Specialty items, with free shipping on ALL items.**

We have a new option available to help districts manage and approve items purchased and amounts spent by teachers—transfer carts. These can easily be set up for your teachers and the districts will have final approval on all purchases.

We will no longer have the following catalogs: Instructional, Art, Personal Protective Equipment, Construction Paper and Science Supplies. School Specialty is now our exclusive carrier, except for the science supplies, which is exclusive with Frey Scientific.

To set up teacher transfer carts or if you have questions regarding Volume Purchasing, contact Vicki Eustice at veustice@smokyhill.org or (785) 825-9185.
